Five Foot Two Mixer

Five Foot Two Mixer

Formation: Couples facint CCW

This is a very simple mixer dance that I first learned probably 40+ years ago or more. I like this version because of the Alamo Ring Balance. It makes this mixer different than most I've seen.

The video on YouTube can be seen by clicking here. I might mention that the dancers in the video are the Colorado Dancers from the Denver area. I have been fortunate enough to have been a caller for this this group for over 16 years. It's been fun. I now share the duties with Bob & Allynn Riggs.

Printed directions are available from the Lloyd Shaw Foundation. Click here.

I use **Georgie's Varsity 5** version of Five Foot Two. Click here. I has the tempo I like the best. This version plays for 1:47
